CRS Rice Bowls

Raul and Rhodora were coconut farmers in their town in the Philippines, but it took a lot of work before they made money. They participated in a Catholic Relief Services program that helped them build their own fishpond to raise and sell fish. The fish provide nutritious food for their family and more accessible income, enabling Raul and Rhodora's granddaughters to attend school. What changes have you made in your professional, personal or spiritual life that have benefited other? Visit www.crsricebowl.org to learn more.
