Vocation Corner
“Growing up on the east coast of Canada, I was involved in my family’s parish, but my faith remained lukewarm. A vocation to the priesthood never crossed my mind. Instead, my attention was captured by the insights in the natural world provided by science, which eventually led me to pursue a doctorate in chemistry at a university in California. During my Ph.D. research, the Holy Spirit led me to ask deeper questions that could not be answered by chemistry alone. As a result, I came to believe the Catholic faith firmly and sought to live it intentionally. During this time, I sensed an unexpected call to the priesthood. The priests serving in campus ministry helped my discernment, and in time I heard God calling me home as a diocesan priest. After my doctorate, I entered seminary and was ordained in 2016.
